## WHAT'S E-DESIGN:

E-design is a convenient interior design and styling service that is budget friendly and fun for those looking for the experience of working with a professional. It doesn't matter what state or country you live in or where your home is located - all communications and design are done online!

## MEET THE DESIGNER:

Marina Barghouti's design philosophy is rooted in the belief that the spaces we inhabit should not only reflect our unique personalities but also exude a sense of timeless elegance.

COLOUR STORY

COLOUR PALETTE

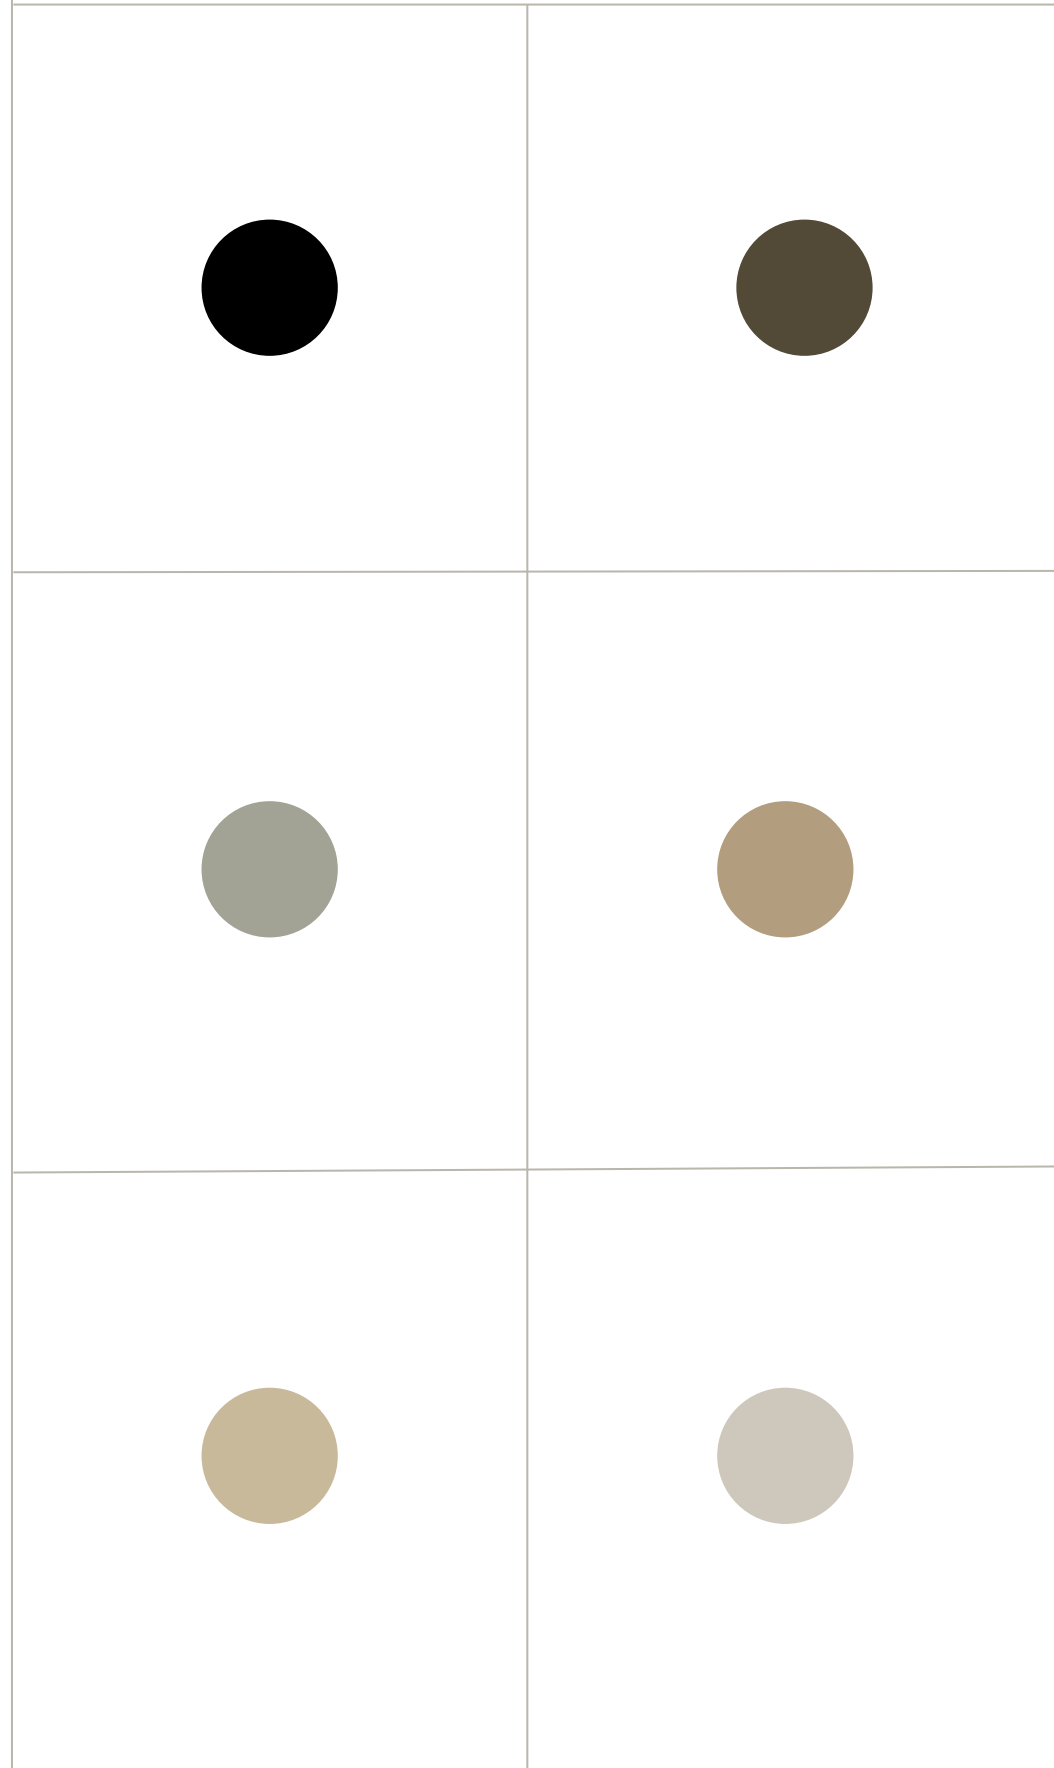

The importance of choosing the emotional impact of various hues and how they can either trigger distinct feelings or establish a balanced ambiance within a room.

Outlining the palette, detailing the main, supplementary, and highlight colours, and describing their interrelationship within the space.
